#### Wallasey Paymaster Lost At Sea

We regret to record the death at sea of Assistant Paymaster Archie Veall, R.N.R., of 16, Rufford Road, Seacombe, resulting from the torpedoing of the s.s -----.

Mr Veall joined the Harrison Line in 1903, and volunteered for the Navy in 1915. Since this time he had seen a good deal of service, and was ice-bound for several months in Russia. He had a large circle of friends, and was liked by all he came in contact with by reason of his general personality. Previous to going to sea he was associated with the Liverpool corn trade. He leaves a widow and two young children to mourn his loss.
