Liscard Soldier's Fate

(Feb, 1917)

Official information has now been received at his home, 42, Denton Drive, Liscard, that Lance-Corporal John J. Nickle (22191), who was previously posted as missing in July of last year, is now reported killed. He was wounded on July 30th,

and picked up by stretcher-bearers, but he could not be traced as having reached the dressing station.

Recommended for a commission, the gallant young fellow, who was only twenty-one years of age, was formerly employed as a purser in the service of Messrs Alfred Holt and Co. He joined up in the early days of the war, and had been out in France nearly twelve months. It will doubtless be recollected that a brother of the deceased, Corporal George Nickle, was also recently killed in action. Deep sympathy will be extended to Mrs. O'Connor and Miss Nora Nickle, the sisters of the fallen young men, who have sustained an irreparable loss.
